"Father, I'd like to buy a Mass."

Believe it or not, such statements are heard by pastors from faithful Catholics. Let's be clear! Masses are not for sale! They cannot be purchased! The faithful may, however, give the celebrant (priest) an offering. The Catholic bishops of the Province of Denver have increased the recommended Mass offering from \$5 to \$10 per Mass intention. The increase is effective July 1, 2007. Please keep this in mind when you place your request for Mass intentions within our office.

What a father says to his children is not heard by the world, but it will be heard for posterity.

Happy Fathers' Day!!

Please keep the members of our Armed Forces and their families in your prayers.
