

'Forever Friend'

Sadly, not all of the bassetts in our rescue program can easily be placed due to age, medical conditions, behavior issues and the like. Typically, these are senior or ill dogs who are just looking for a warm, loving place to rest out their final days.

As a result, these dogs will most likely spend the rest of their lives in a series of foster homes and kenneling and miss the joy of true love and affection.

So, in true "rescue fashion", we would like to extend a special helping hand to those willing to open their hearts and homes to these "unadoptable" bassetts.

Under our 'Forever Friend' program, qualified individuals or families may foster one (or more!) of these bassetts with WBHR providing the necessary financial assistance to cover medical bills, special needs, etc. We can even offer assistance with food expenses upon request.

And, we'll make the necessary arrangements to transport your basset directly to you if so desired.

In essence, all you need to provide is love and care!

The program process is easy in terms of paperwork, but we do a "home visit" before any of our bassetts are placed whether it be adoption, fostering or participating as a 'Forever Friend'.

Of course, all pertinent information and photos are provided to help in your decision-making, but if for whatever reason you are unable to continue with the program, WBHR will make all the arrangements to retrieve your basset and maintain a quality care program for it.

Please consider helping one of our loving bassetts and providing it with the love it so greatly needs.
