

# Wyoming Basset Hound Rescue ‘Shop with Scrip’ Guide

**Hello everyone!**

**We want to let you all know about a new fundraising opportunity we have available, that doesn't require you to make a donation to us.**

**"Shop with Scrip" uses buying gift cards to make anything from normal, weekly grocery purchases to that bigger home improvement project or even buying airline or cruise tickets for your much-deserved family vacation. Then depending on the retailer, WBHR gets a percentage rebate from that purchase.**

**Gift cards are being used a lot not only for gifts, but for convenience at check out or to help with budgeting for an upcoming, larger expense. WBHR will take gift card orders from all of you on either a semi-annual or quarterly basis and then mail your gift cards directly to you. We will receive a percentage of the gift card purchase, depending on what the retailer has chosen to allocate. We could get as much as 16%! It's a win-win situation for you and us.**

**For example, your purchase of a \$200 gift card from GAP, used to buy school clothes, would generate \$28 to us. A gift card purchased for \$100 for Village Inn would be \$13 to us. Purchasing a \$50 gift card from Harry & David, to give to your parents for their anniversary, will be \$6 to help the hounds. Purchasing a gift card from Albertson's for \$200 will give us \$8. Again, the percentage WBHR receives is based on what percentage the retailer has selected to donate. Every little bit helps and you'll still be buying what you want and not paying any extra.**

**So please be thinking about any upcoming projects, gifts, vacations or just general month-to-month purchases and know that by purchasing a gift card through this program will generate funds for the hounds.**

**Thank you!**

# General Information about 'Shop with Scrip'

For almost a quarter of a century 'Shop with Scrip' has been a major component of fund raising activities by a wide range of entities such as schools, athletic teams and religious groups and today assists almost 50,000 organizations. Currently 'Shop with Scrip' has just over 750 national retailers participating with rebates running from 2% up to 16% and is adding more every month. What's more, the participants run the gamut from restaurants to groceries to travel and even the mega giants like Walmart, Amazon and Sam's Club.

## Ordering Deadlines

There will be several ordering times throughout the year including the year-end Thanksgiving-Christmas period.

The order deadline will factor in delivery time for personal use and gift-giving, but it will be important to plan ahead so as not to be disappointed.

## Order Scrip Gift Cards!

Ordering your gift cards through the WBHR is easy. Included in this guide is a complete listing of every participating retailer offering rebates of 2% or more along with the amount(s) for which cards may be purchased. In addition, there is a listing of the top retailers offering between 10-16% as well as the top retailers for the most popular categories of restaurants and clothing.

There is also an order form as well as a sample form to show how to complete it. Of course, at any time you have a question please contact us per the information provided.

### How the Purchasing Works

One of the most attractive aspects of 'Shop with Scrip' is that by ordering through the WBHR we do all of the work for you. By paying us initially the organization immediately has its rebate as we deduct the rebate percentage and then pay 'Shop with Scrip' the balance. So, for example, if you purchase a \$100 gift card with a 4% rebate, we keep \$4 and pay 'Shop with Scrip' \$96....no waiting for rebates!

Here are the actual steps:

- 1) Review the list of participating retailers
- 2) Complete the order form and return by the deadline date to us along with a check made payable to the WBHR
- 3) We submit the order and then send you the cards when they arrive
