It's Official - I'm a Real Author

My master and I sent my eBook, *Memoir of an Abandoned Basset Hound*, to the U. S. Copyright Office. We recently received the Certificate of Registration.

It's official! My eBook not only has been copyrighted but guess what . . . I am named as the author.

My master had to send a PDF copy of my eBook to the U. S. Copyright Office and pay a fee for this to happen. So . . . my eBook will be there for all time. That's really hard to imagine. But . . . all the adventures I've had with my master have been hard to imagine, so the adventure with the U. S. Copyright Office is just one more.

My eBook Available At Amazon

These past few weeks my master has worked hard to learn how to format my eBook for publication and distribution on Amazon. And . . . my eBook is now available for sale there and can be read on a number of different platforms.

In order to read my eBook, you need the **free** Kindle Reading App. Google "Kindle Reading App" and download and install the app for your platform. The app is available for smartphones, computers and tablets as follows:

Smartphones

- iPhone
- iPod touch
- Android
- Samsung
- Windows Phone
- BlackBerry

Computers

- Mac

- Windows 8 Desktop
- Windows 7
- Windows XP
- Windows Vista)

Tablets

If you purchase my eBook at Amazon, please consider writing a review of my eBook for others to read. Hopefully, your review will encourage others to purchase my eBook.

eBook Flyer

With this newsletter I have attached a second file. The file is a flyer for my eBook. Any help you can give to advertise my eBook by placing a flyer at a dog kennel, local library, local newspaper, the windows of retailers and others would be greatly appreciated. My email address and phone number is on the flyer should anyone wish to contact me for more information.

Any help you can give to advertise my eBook is for the benefit of Wyoming Basset Hound Rescue. Both I, my master and Holly at Wyoming Basset Hound Rescue thank you for your support.

Farewell For Now . . .

This may well be my last *The Rocky Report* for the foreseeable future. Life has settled into a welcome and loving routine with my master. I celebrated my 6th birthday and have lived with my master longer than I've lived anywhere else. Thank you to all who subscribed to my report. My master and I enjoyed sharing our life with you. With love, *Rocky*
