## Rocky Featured On KPAX In Missoula...

Recently, I emailed Allyson Weller at KPAX News in Missoula to tell her about my Rocky

Report and email address. I inquired if she would like to interview me and my master. To my delight and surprise she thought the interview was a great idea. After all, how many Basset Hound's have their very own newsletter and email address? We all thought my appearance on TV would bring a smile and chuckle to the viewers, something we all need.

Allyson joined me and my master on July 25th at our home. My master was a little nervous but Allyson, with her superior interviewing skills and warm disposition, quickly set my master at ease.

Our interview aired on KPAX News on July 26th. Wow! I give Allyson "Four Paws UP" for her wonderful interview. She did a great job putting the piece together, much like a quilt maker

with many different pieces and colors of cloth in hand. The quilt she made was beautiful.

You can read and view the interview at <http://KPAX.com>. Search for "man's best friend" in quotes. Then scroll down and click on "Man's best friend steals the spotlight in Philipsburg" to read the article or click on VIDEO: "Man's best friend" steals the spotlight in Philipsburg to watch the video.
